

**TOWN OF BLIND RIVER
REQUEST FOR QUOTATION
BOOM CAMP BOAT LAUNCH IMPROVEMENTS
CONTRACT NO. 23-1077**

**ADDENDUM #1
QUESTIONS & CLARIFICATIONS
February 2nd, 2024**

This addendum shall form part of the Contract Documents. The Contractor is to confirm receipt and acknowledge the Addendum.

1.0 QUESTIONS & ANSWERS

Q1: *Is there any further bathymetric data available?*

A1: Unfortunately, no further bathymetric data is available. Contractors shall determine themselves, as may be required.

Q2: *Is the Spanner Plate steel to be coated?*

A2: No, coating of the Spanner Plate is not required.

Q3: *Can the prefabricated concrete blocks be supplied from a different Manufacturer?*

A3: The Contractor shall complete their Form of Tender based on supplying and installing the Redi-Rock product as per the IFT package. The Contractor may, at their choice, provide an alternate price, exclusive of HST for evaluation by the Town of Blind River. Inclusion of alternate pricing does not guarantee that alternate products will be accepted for use in the work.

The Contractor may list in typewriter or ink, at the bottom of the enclosed REVISED Quotation and Acceptance Forms, the cost for an alternative prefabricated concrete block item. All contract requirements for completion of Item No. 3 shall be applicable to the alternative item. The Contractor shall provide all design and product details of the alternate prefabricated concrete blocks for evaluation by the Owner.

2.0 ADDENDA

Bidders shall acknowledge receipt of Addendum No. 1 on the enclosed REVISED Quotation and Acceptance Forms.
