

## COMMEMORATIVE BENCH PROGRAM

The Commemorative Bench Program provides Blind River residents with the opportunity to purchase a park bench in memory of a loved one, dedication of a significant event, or acknowledge a donation with a personalized message. This program is designed to ensure a variety of residents can show appreciation.

Benches are selected to complement Blind River's Community Improvement Plan, landscape, as well as promote sustainability. The municipality is committed to providing a streamlined look and feel in its public-use spaces. They will be constructed of composite materials as well as heavy-duty powder coated frames.

The Community Services Department will have an inventory of available locations. Staff are happy to meet with you to select a location that meets your memorial need.

Seating locations available at this time (updated May 2025):

- Boom Camp Boat Launch
- The Marine Park
- Logging Artifact Site
- Blind River Visitor's Centre
- Mossy Rock Trail
- Chiblow/Hudson Public Outdoor Space (former courthouse site)
- Sellers Beach

Sponsorship of seating will remain in place for the lifespan of the unit. The municipality will not be responsible for replacement costs.

A 25% non-refundable deposit must accompany your Commemorative Bench application. The balance remaining is due upon plaque approval and order will take place once final payment is received. The fees structure is reviewed annually and prices will be adjusted as required per market value of benches and chairs. Benches are available on a first-come basis. In the event two applications are received for the same location, the application with a deposit will be prioritized.

**Please Note:** Plaques will be installed between May and November. Orders placed after October 1<sup>st</sup> will be installed the following spring.
